# Take Charge of Your Health

## with Our Complimentary ImpactCare Program

The Pacific Health Coalition has partnered with Renalogic to assist you with difficult health conditions that may be affecting your overall well-being. **This program is free, and your participation is 100% confidential.**

If you have one of the conditions listed below, speak to a Renalogic Nurse Health Coach today. You may be eligible to participate.

- Diabetes
- High Blood Pressure
- Kidney Disease
- Cardiovascular Disease
- Obesity
- High Cholesterol
- Lupus

Please call one of our Nurse Health Coaches at **844.841.5065** to get the most out of your health benefits. Renalogic's Registered Nurses will work with you to slow the progression of kidney disease, preserve or improve kidney function, and improve overall health.
