Claim Form Instructions

- 1. Complete employee information section. Be sure to write legibly to ensure proper processing.
- 2. Itemize your expenses in the table provided and attach copies of your documentation.

Documentation must clearly show the date of service, type of service, and final cost of service. Examples of acceptable documentation include itemized bills/invoices, or the Explanation of Benefits (EOB) from your insurance carrier.

- ❖ If your employer offers an HRA and you are enrolled in a plan that only offers reimbursement for deductible, coinsurance, and/or copays an EOB is required for claim submission.
- If the expense is a copay amount (multiple of \$5 up to \$500), a payment receipt is acceptable documentation.

Proof of payment is not required in order to reimburse medical/dental/vision services.

Prescriptions

Examples of acceptable documentation include the Rx label, payment receipt, or mail order statement showing the date filled, Rx name or Rx #, and cost. You may also submit an itemized printout from your pharmacy.

OTC Medications & Drugs

Per IRS regulations, OTC medications and drugs with an active ingredient must be accompanied by a prescription in order to be reimbursed from your FSA (ex. pain relievers, cold/allergy medication, ointments, Antacids). Once approved, prescriptions will remain on file with Navia for future claim submissions. Prescriptions are valid for one year after the date written.

Alternative Treatments

Expenses that may be seen as merely beneficial to general health will require a Letter of Medical Necessity (LMN), showing the treatment of a specified medical diagnosis. Examples include vitamins/supplements, herbs, weight loss programs, cosmetic products and procedures. Please have your provider write a letter or complete our <u>Letter of Medical Necessity template</u>.

Dependent Care

Acceptable documentation includes an itemized bill/invoice, showing the date of service, type of service, and cost of service. If the dependent is age 5 or older, the documentation must show the services are "for care," and not educational in nature.

If you are unable to obtain sufficient documentation, you may have the provider sign the front of this claim form to validate the services being claimed.

If you would like to automate your recurring daycare expenses, you may do so by completing our <u>Recurring Daycare Claim Form</u>, logging onto our Participant Portal, and selecting the My Recurring Claims tool tile.

Please **DO NOT** submit the following types of documentation:

- Statements showing estimated/pending insurance
- Statements showing the claimed amount as a balance forward/previous balance
- Statements showing the claimed amount as a prepayment for future services
- Cancelled checks/copies of cashed checks
- Personal bank statements
