This guide provides information about the enrollment process as well as other required notices. Please take a few minutes to review this important information so you can make the best health care coverage decisions for you and your family.

## The Affordable Care Act

### PLAN STATUS UNDER HEALTH CARE REFORM

This group health plan believes this plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that our plan does not include all identical requirements found in non-grandfathered plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other requirements in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which requirements apply and which requirements do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at 1-800-732-1121.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans. You may also contact the U.S. Department of Health and Human Services at [www.healthreform.gov](http://www.healthreform.gov).

# Documentation is Required For All Dependents

To enroll your dependent spouse and dependent children, you must provide documentation that they are eligible dependents. If you have already provided this information, you do not have to provide it again. No claims will be paid on your dependents until we receive acceptable documentation.

Examples of dependent documentation are:

- Spouse – copy of marriage certificate
- Natural Child – copy of birth certificate listing the employee as mother or father; or
- Qualified Medical Child Support Order
- Adopted Child – proof of legal adoption or placement with you in anticipation of adoption
- Stepchild – copy of birth certificate listing your spouse as mother or father
- Foster children or children for whom you have legal responsibility – proof of legal custody or guardianship

## How Much Do I Have To Pay?

The following contributions are effective September 1, 2023. These contributions are for full-time employees. If you are a part-time employee, please contact the Plan Administrator for your contribution amount.

	Your Contribution
<b>Employee</b>	\$85 per paycheck
<b>Employee and spouse</b>	\$121 per paycheck
<b>Employee and child(ren)</b>	\$121 per paycheck
<b>Employee and family</b>	\$157 per paycheck

Please note that when your contributions are taken out of your paycheck on a pre-tax basis, as allowed by Section 125 of the Internal Revenue Code, IRS rules state that once you make your enrollment election for the year, you will not be allowed to change that election until the next Open Enrollment period, unless you have a change in family status, such as marriage, divorce, birth of a child, or change in employment status. This means you may not drop coverage for a dependent during the year unless there is a qualified change in family status.

# Making Mid-Year Election Changes

The IRS allows distinct tax advantages to you and to the Trust by not considering the value of your employer's contribution as taxable income. In return, the Trust is subject to strict IRS rules on when it may allow mid-year election changes. Elections made during your initial enrollment must apply for the rest of the Plan Year unless you experience a qualifying event and timely request a change in election because of that qualifying event. Any change you make to your election must also be consistent with the qualifying event. Examples of qualifying events include:

- Marriage, birth or adoption of a child, divorce, death of a dependent
- Dependent ceases to be eligible or gains eligibility
- Loss, gain, or significant change in spouse's coverage
- Changing from full-time to part-time status or vice versa

To change your election, you must submit proof of the qualifying event and a revised enrollment form to the Trust Administration Office within 31 days of the qualifying event.

## Appealing Your Election

You have the right to appeal your plan election to the Board of Trustees. Because your election impacts your payroll, the Trustees have accelerated the timeline for appealing election choices. If you wish to appeal, you must do so within 45 days after your first payroll deduction resulting from the plan election choice. IRS Revenue Regulations limit the circumstances under which election changes can be made, and the Board of Trustees must abide by those regulations when deciding enrollment appeals. You should use great care in making an enrollment election, as the circumstances for changing your election after the close of Open Enrollment is severely limited.

# IMPORTANT LEGAL INFORMATION

## Healthcare Reform

The healthcare reform law (or Affordable Care Act (ACA) or Obamacare) is complicated and you may have questions about how it impacts you, your family and your benefits. There are three items you should know.

First, the individual mandate (the requirement that all individuals have health insurance) remains in place. What has changed is the penalty associated with it. As of January 1, 2019, the ACA tax penalty is repealed and you won't have to pay anything if you don't enroll.

Second, the Health Insurance Marketplace still exists. You can shop for and enroll in insurance plans through the exchange and still apply for income-based subsidies.

Third, for most people, the plans we offer are considered affordable and neither you nor any family members are eligible for the federal subsidies available in the Health Insurance Marketplace, even if you choose not to enroll in APEA's plan.

Please refer to your Notice of Health Insurance Marketplace Coverage for general information. or additional information on Marketplace options in your area and subsidy calculators, go to [www.healthcare.gov](http://www.healthcare.gov) or call 1-800-318-2596.

## Annual Reminders

### Notice Regarding the Women's Health and Cancer Rights Act of 1998

As required by the Women's Health and Cancer Rights Act (WHCRA) of 1998, this plan provides coverage for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Protheses and physical complications of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.

Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage. Written notice of the availability of such coverage shall be delivered to the participant upon enrollment and annually thereafter.

Contact the Plan Administrator for more information.

## HIPAA Privacy Practices

The Health Insurance Portability and Accountability Act (HIPAA) requires employers to adhere to strict privacy guidelines and establishes your rights with regard to your personal health information. You received a copy of the APEA/AFT Health and Welfare Trust Group Health Plan Privacy Notice when you were hired. This notice describes how medical information about you may be used and disclosed, and how you can access that information.

If you have any questions regarding the HIPAA Privacy Notice, or would like another copy, please contact the Plan Administrator.

## COBRA

COBRA continuation coverage is a temporary continuation of coverage under our employee benefit plan. Please contact the Plan Administrator for a copy of the General Notice of COBRA Continuation Rights. This notice explains your rights and obligations to receive COBRA benefits.

We are not always aware when a COBRA event takes place, unless notified by you. The most common examples are divorce, or when a child exceeds the maximum age. When such an event occurs, the Notice of Qualifying Event must be postmarked within 60 days of the qualifying event for the affected person to be eligible for COBRA continuation. If you have questions about COBRA please contact the Plan Administrator.

# Important Notice from APEA/AFT Health and Welfare Trust about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with APEA/AFT Health and Welfare Trust and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. APEA has determined that the prescription drug coverage offered by the APEA/AFT Health and Welfare Trust Employee Benefit Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

## When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

Plan Participants who also are eligible for Medicare have the following three options concerning prescription drug coverage:

- You may stay in the Plan and not enroll in the Medicare prescription drug coverage at this time. You will be able to enroll in the Medicare prescription drug coverage at a later date without penalty, either (1) during a Medicare prescription drug open enrollment period (October 15–December 7 of each year); or (2) if you lose Plan coverage. This is the best option for most Plan participants who are eligible for Medicare.
- You may stay in the Plan and also enroll in Medicare prescription drug coverage at this time. The Plan will pay prescription drug benefits as the primary payer in most instances. Medicare will pay benefits as a secondary payer,

and thus the value of your Medicare prescription drug coverage will be greatly reduced. Your current coverage under the Plan pays for other health benefits as well as prescription drugs and will not change if you choose to enroll in Medicare prescription drug coverage.

- You may reject all coverage under the Plan and choose coverage under Medicare as your primary and only payer for all medical and prescription drug expenses. If you do so, you will not be able to receive coverage under the Plan, including prescription drug coverage, unless and until you are eligible to reenroll at the next enrollment period for which you are eligible, if any. Your current coverage pays for other types of health expenses, in addition to prescription drugs, and you will not be eligible to receive any of your current health and prescription drug benefits if you reject coverage under the Plan and choose to enroll in Medicare, including a Medicare prescription drug plan, as your primary and only payer.

## When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with APEA and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

## For More Information about this Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through APEA changes. You also may request a copy of this notice at any time.

## For More Information about Your Options under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

# Premium Assistance under Medicaid and the Children’s Health Insurance Program

If you or your children are eligible for Medicaid or the Children’s Health Insurance Program (CHIP) and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility.**

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$800 per person / \$2,400 per family.	Generally, you must pay all of the costs from <a href="#">provider</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$50 for Emergency room. \$50 per person/ \$150 per family for dental expenses. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$1,500 per person / \$4,500 per family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">deductibles</a> , <a href="#">copayments</a> , <a href="#">balance billed charges</a> , and health care this <a href="#">plan</a> does not cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.aetna.com/docfind">www.aetna.com/docfind</a> and select Aetna Choice® POS II (Open Access) network for a list of <a href="#">network providers</a> . In Anchorage/Mat-Su, the preferred provider facilities are Providence Medical Center and Mat-Su Regional Hospital. BridgeHealth-non-emergency surgery outside Alaska <a href="http://www.bridgehealth.com">www.bridgehealth.com</a> or 844-249-8108. For Teladoc see <a href="http://www.Teladoc.com">www.Teladoc.com</a> or call 800-835-2362.	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
